I hereby affirm that the above statements are true and correct and agree to comply with all ordinances and law pertaining to and governing the construction, alterations, extension or removal of buildings described in this application. I do hereby grant the City's representative access to the premises to determine compliance with local codes and ordinances.

The applicant shall be responsible for providing all necessary surveys and information sufficient to insure conformance with Zoning Regulations, Local Codes and Ordinances. The applicant shall also be responsible for compliance with the City's current adopted Building, Plumbing, Electrical, and Mechanical regulations. Permits when issued, do not nullify any deed restriction validly filed of record. For nonconformance, the designated City Official, may in writing stop or restrict work. The jurisdiction shall have alleged deficiencies inspected within 48 hours by a licensed contractor in the field at the applicant's expense. If construction of any type on the project continues before sited deficiencies are corrected, the designated City Official may revoke any or all permits at the time. This permit shall be effective for one (1) year following issuance date.

Building Permit shall be displayed in a prominent place during construction.
